ORDER

Before the Court is Joseph Garcia's motion to modify sentence, dkt. no. 44, wherein Garcia requests early termination of his supervised release term and an accompanying evidentiary hearing.

On December 16, 2015, Garcia appeared before the Court and was sentenced after pleading guilty to the offense of conspiracy to commit wire fraud (Count 1), in violation of 18 U.S.C. §§ 371, 1343. The Court sentenced Garcia to 37 months' imprisonment with the Bureau of Prisons, followed by three years' supervised release. Garcia commenced the term of supervised release on October 18, 2017.

Garcia now requests early termination of his supervised release, indicating he has complied with the conditions of his supervision. He has served approximately 21 months of his 36-month term of supervision.

While the Court commends Garcia for maintaining satisfactory conduct since his release, the Court must carefully weigh a favorable adjustment to his supervision against his offense of conviction. Accordingly, the Court **DENIES** Garcia's motion. Dkt. No. 44.

SO ORDERED this 23 day of July, 2019.

A large, stylized handwritten signature in black ink, consisting of a large loop on the left and a series of strokes on the right, positioned above the judge's name.
